

WYLIE LADY BULLDOGS

VOLLEYBALL NEWSLETTER

FALL 2015

The Team

The Wylie Lady Bulldogs volleyball program began its season in early August with twice-per-day practices. Although tough, the coaches and the players know these practices are necessary for the teams to be successful.

Preseason

The girls began their season against the tough 5A and 6A teams Frenship and Dumas, and many more intense games followed. In order to be prepared for district, the coaches'

scheduled games against some of the best teams in Texas. Although the preseason was filled with quite a few losses, the team was not defined by their record. Playing 6A teams has helped the girls improve their physical and mental side of the game.

District

The girls opened District play against the Brownwood Lady Lions. That game was carried to four sets, and was followed by a victory. Unfortunately, Stephenville was the girls' next opponent and that game did not go as planned. The team fought hard but did not manage to

pull out a win. Mineral Wells and Graham were played next, and both teams were swept in three sets. On Friday, October 16th, the girls will start round two of district and hope to pull out 4 straight wins to receive the District championship.
